Energetically warming like its' *Artemisia* siblings; Wild Sage *Artemisia tridentata* & Mugwort *Artemisia Suksdorfii*

Wormwood specific healing for digestive & pelvic organs

Stimulating influence on stomach, gall bladder & digestion when things are cold or fall still.

Spiritually address fear, supports solar plexus

Often used as a bitter tonic due to the volatile oils. This encourages stomach & hepatic tract

Enhances blood circulation to uterus & pelvic region

Used externally, actions are::

- Anti- inflammatory
- Anti- pyretic (fever reducer)
- Chemotherapeutic (kills cancer cells)
- Anti- microbial & anti- fungal (kills bacteria, viruses, funguses)
- Anti- parasitic (kills parasites)
